This year all festivities will take place at Hart Prairie Lodge. The race will start behind Hart Prairie Lodge, will follow a marked course up the Mountain (map available prior to the event at [Kahtoola.com](http://Kahtoola.com)) and will conclude at Hart Prairie Lodge (where there will be music, food, and of course the raffle and awards).

### **Support a Friend Up the Mountain:**

Top 3 Fundraisers will receive awards

### **Race categories:**

Traction: Snowshoes, Microspikes, Crampons, or any sort of foot traction maybe used.

Skinning: Skis with skins to go up mountain, skins maybe taken off to go down mountain.

Note: What you use to go up the mountain you **MUST** use to come down the mountain.

### **Fun categories:**

Best Dressed

Spirit Award

Teams can consist of 2-4 people. Team times will be averaged to determine time and placement. Teams may also be mixed traction and skinning (choose your best strategy). Teammates do not have to stay together on race course, and individuals on teams can still place in their respective categories.

Dear Kahtoola Agassiz Uphill Racers,

I wanted to take a moment to thank you for continuing to help this event grow over the years and for supporting the Friends of Camp Colton (FCC) through your participation. For those not familiar with the Friends of Camp Colton...FCC is a non-profit fundraising organization that was established in 2001 to support Camp Colton's environmental education programs and initiatives. Camp Colton is owned and operated by the Flagstaff Unified School District and has provided quality environmental education programs and experiences for sixth grade children since 1971. As a strong supporter of environmental education opportunities for youth, Kahtoola is a proud supporter of FCC and has worked with the organization for many years to generate essential operating support for Camp Colton.

This year, in honor of Camp Colton's 40<sup>th</sup> Anniversary, we have set a goal to raise **\$5,000** for Camp Colton. To accomplish this goal, \$5.00 of every Kahtoola Agassiz Uphill (KAUH) registration fee will be donated to the Friends of Camp Colton as well as 100% of KAUH raffle proceeds. Kahtoola is also excited to introduce a new fundraising initiative called **Support a Friend Up the Mountain** that will help us reach our goal. Participation is optional; however, your consideration and support is greatly appreciated. "Support a Friend" follows a "walk-a-thon" model and raises funds for Camp Colton by inviting KAUH racers to encourage their co-workers, friends, families and colleagues to make charitable donations to extend their encouragement to YOU to climb the mountain AND provide much needed support to Camp Colton. Furthermore, **Support a Friend Up the Mountain** donations are tax-deductible...making this a winning proposition for all involved! Please see enclosed materials for additional information. Also, as an expression of our sincere thanks, the top three KAUH fundraisers will receive thank you awards (posted at kahtoola.com) and all fundraisers will be acknowledged in an Arizona Daily Sun thank you ad following the KAUH 2011.

If you value environmental education and want to help Flagstaff children know and love nature, please consider showing your support for Camp Colton by participating in the **Support a Friend Up the Mountain** fundraiser. Please let me know if you have questions or need additional information.

Sincerely,

Hilary Hylan Edgar

Dear \_\_\_\_\_ ,

I will be participating in Kahtoola's 4th Annual Agassiz Uphill event to support the Friends of Camp Colton.

For those of you not familiar with the Friends of Camp Colton (FCC)—FCC is a non-profit fundraising organization that was established in 2001 to support Camp Colton's environmental education programs and initiatives. Camp Colton is owned and operated by the Flagstaff Unified School District and has provided quality environmental education programs and experiences for sixth grade children since 1971. As a strong supporter of environmental education opportunities for youth, Kahtoola is a proud supporter of FCC and has worked hand-in-hand with the organization for many years to generate essential operating support for Camp Colton.

I am proud to join Kahtoola in its support of Camp Colton and will help them raise \$5,000 for Camp Colton through my participation in the Kahtoola Agassiz Uphill's **Support a Friend Up the Mountain** program.

On February 12, 2011, I will be participating in the only night race of its kind in northern Arizona that involves a XX mile, XX elevation gain/loss, hike up the Arizona Snowbowl in any kind of traction I can strap on my feet. This event is highly-physical and competitive, and also a lot of fun. As an added element to my hike, I will be "Uphilling-It" to raise funds and awareness for Camp Colton. You can support me in this effort by making a tax-deductible donation to the Friends of Camp Colton and by attending the event to cheer me on.

Supporting Camp Colton is important to me because each year this essential Flagstaff program brings together 1,000 sixth grade students from different schools, cultures, and backgrounds and offers them a crucial introduction to the natural environment through hands-on experiences with nature. Camp also serves children by awakening an excitement for learning, promoting environmental stewardship and offering countless opportunities for self discovery and personal growth. More information about Camp can be found at: HYPERLINK "<http://www.friendsofcampcolton>" [www.friendsofcampcolton](http://www.friendsofcampcolton).

Every student who attends Camp writes about their experiences and I have shared one such letter below to illustrate why this program is so important to me and the children of Flagstaff.

*I love Camp Colton. I hope you will too. I went the last week it was open for the fall season. It was chilly most of the time, but sunny too. I learned that you don't always need to be the first in line for everything. Camp Colton makes sure that lines are always mixed up. You never know who is going to be first. You may, however, want to be the first at the campfire because there are only so many seats close to it! Don't be nervous about meeting new people, trying new things and square dancing. The teachers are fun and love to joke around. They might even try to scare you with a story or two. But, they aren't real...or are they?? I learned how to really clean up after myself. You have to clean your tent every morning. This means not just keeping your clothes together, but to sweep and pick up micro trash. Clean up your tent like it is a queen's room! Have fun and stay warm! – Erin*
